Please note that the Constitution of the State of California requires that we provide a public education to you for free of charge. Your right to a free education is for all school/educational activities, whether curricular or extracurricular, and whether you get a grade for the activity or class. Subject to certain exceptions, your right to a free public education means that we cannot require you or your family to purchase materials, supplies, equipment or uniforms for any school activity, nor can we require you or your family to pay security deposits for access, participation, materials, or equipment. Therefore, while this list suggests that students bring number of items, they are considered voluntary. No student will be restricted from participation if these items are not sent to school.

Thank you for your ongoing support of our third grade program.
